## Hosanna Church's Community Ministry

### What Does H.E.A.R.T. Stand For?

H.E.A.R.T. is the acronym for Hosanna Emergency Action Response Team. This program provides practical help with individuals and families who are struggling by providing food, household items, clothing and more.

H.E.A.R.T. has a local trailer park ministry with food distribution and neighborhood projects. They also have a community clothes closet the 3rd Tuesday of each month for those who are financially challenged.

They are a mobile disaster response team that strives to build long term, healthy relationships with organizations throughout the Twin Cities, the US and internationally in order to be a steady source of help until individuals and neighborhoods are fully restored.

The goal for this F.I.S.H. meeting is to extend a "come and see" to everyone who comes to the September F.I.S.H. meeting at Hosanna! Our warehouse is large and active! The more people know about what we do, the more they will either want to be part of the team, contribute or refer people in need to us.
