

Dear Santa helpers, My name is Alexis Collins
I am a single mother and just recently took
in my nephew who is 17 years old and I'm
only 24 years old it been a real struggle
to take care of them on my own. A month
and a half ago a care hit me and totaled
my car while I was waiting for insurance
to cover my car I lost my job. I am
on a housing program that 30% of my income
so my rent is zero right now. I been looking
for work but my mother been having
health issues and been in and out
the hospital so I been taking care of
her. My nephew knows I been struggling
so he said he okay with not getting
nothing so if it not to much to
ask if he can get so game stop gift
cards, and gift card to get clothes it
will be great help. Mom dont want
to much she not picky she love
everything people gives her. Thank
you for taking the time out to
read my letter.

Love the Collins
family
